

The AFSCME Council 61 PEOPLE Committee (Public Emloyees Organized to Promote Legislative Equality) is dedicated to endorsing and supporting candidates—*regardless of political party*—who are committed to advancing legislation that defends workers' rights to organize and unionize, expands collective bargaining (instead of dismantling it), and ensures fair wages and benefits. Sisters and Brothers, nothing will change unless we take action. Our political leaders will only understand our priorities if we make them clear—by speaking up and showing up at the polls!

Please make voting **November 5th** a priority!

We are proud to endorse the following list of candidates for the upcoming General Election:

- United States President / Vice President: Kamala Harris / Tim Walz
- 1st District Congress: State Representative Christina Bohannon
- 2nd District Congress: State Senator Sara Corkery
- 3rd District Congress: Congresswoman Lanon Baccam
- 4th District Congress: Ryan Melton
